**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Sir:

In accordance with 37 C.F.R. §§ 1.56, 1.97, and 1.98, applicants respectfully request consideration of the references listed on the attached Form PTO-1449.

Applicants respectfully request that the Examiner consider the references cited on the PTO-1449 and that the Examiner indicate that the references have been considered in this application by returning a copy of the Form PTO-1449 with the Examiner's initials in the left column per M.P.E.P. § 609.

All of the references identified in this Supplemental Information Disclosure Statement were cited to the PTO in connection with related applications, but were not cited in the instant application due to applicants' asserted priority date of November 3, 1981.

Applicants are now citing these references because the Examiner has challenged applicants' November 3, 1981 priority date. Applicants maintain, however, that this application is entitled to the benefit of the challenged November 3, 1981 filing date.

Pursuant to an agreement reached between the Examiner and applicants (see paragraph 28 of the February 6, 1997 Office Action issued in this application), applicants are not submitting copies of the references cited in this Supplemental Information Disclosure Statement because applicants have previously provided copies of all of the references cited herein in related applications.

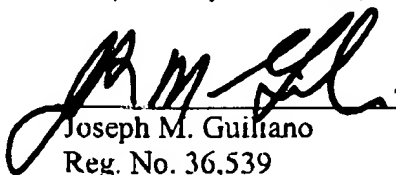

Submitted herewith is a check in the amount of \$180.00 to cover the fee for filing this Supplemental Information Disclosure Statement under 37 C.F.R. § 1.17(p). Any deficiency in or overpayment of this fee should be charged or credited to Deposit Account No. 06-1075.
